701H.6. Special Commercial Promotional Sign—a temporary sign intended to advertise or announce a product, event or business development. These signs are strictly prohibited except as follows:

a. Application, fee and permit are required. The required fee shall be established by Borough Council in its schedule of fees as promulgated from time to time.

b. Permits for these signs shall only issue in regard to the principal use on a lot.

c. Permits for such signs shall expire within 45 days of issuance, whereupon all such signs shall be removed immediately.

d. An applicant may apply for and receive up to 2 Special Commercial Promotional sign permits during any calendar year. "Applicant" shall be deemed to encompass all of, the individual, if any and the entity if any and the principal use on a lot for which the special promotional sign is displayed.

e. Notwithstanding the provisions of 701H.6.c. above, only one such permit shall be issued and only one such sign shall be displayed for the principal use on a lot at one time.

f. Such Signs shall be in the form of a banner only, shall not exceed 15 square feet in size and shall be secured firmly from each corner or at all ends, or if there are no ends, then along all edges or along the circumference. Furthermore, such signs shall be anchored securely to prevent any hazard from loose lines or ropes or wires.

g. Flags or pennants do not constitute Special Commercial Promotional signs and are not permitted in this section. Any sign not otherwise permitted in Article 7 that is intended to advertise or announce a product, event or business development that does not conform strictly to the requirements of this section, is a prohibited sign. Furthermore, nothing contained in this section shall be construed to authorize the placement of a special commercial promotional sign in a district or on a lot where such a sign is not otherwise specifically permitted.

Section 2. The New Britain Borough Zoning Ordinance, number 94-262 as amended, is further AMENDED, to delete the existing provisions of Article 7 Section 701F.7. and to substitute therefore, the following:

701F.7 Banner. Any sign composed of any spun or woven cloth or fabric or vinyl or other similarly non-rigid material, which is attached or framed securely from each corner or on all ends, edges or along its circumference, and is anchored firmly on, from or to some supporting structure and/or the ground.

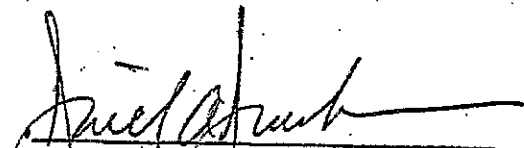

Section 3. The provisions of this Ordinance shall be effective immediately.

DULY ENACTED AND ORDAINED this 8 day of May

2007, by the Council of New Britain Borough, in public session duly assembled.

NEW BRITAIN BOROUGH
