Fall 2015

## ***Join Us for a Wreaths Across America Ceremony***

**Noon on Saturday, December 12, 2015  
At The New Britain Baptist Church Cemetery**

Wreaths Across America is a nationwide program to remember and honor our fallen heroes by placing holiday wreaths on the graves of Veterans laid to rest in cemeteries across the United States. Each year their mission, Remember, Honor, Teach, is carried out in part by coordinating wreath laying ceremonies on a specified Saturday in December at cemeteries and other locations in all 50 states and beyond simultaneously.

The New Britain Borough Historic Preservation is proud to sponsor Wreaths Across America again this year. At noon on Saturday, December 12, 2015, we will gather to honor Veterans buried in The New Britain Baptist Church Cemetery by placing wreaths on their graves in this historic cemetery. There are about 76 Veterans buried there many of whom are long gone, but never forgotten; 2 from colonial wars, 33 from the Revolutionary War, 13 from the War of 1812, 1 from the Mexican war, and 27 from the Civil War.

You can help honor these veterans by donating wreaths, they are only \$15 per wreath and your donation is tax deductible. Donations should be received by Monday, November 23. Please make checks payable to *Wreaths Across America* and send to the New Britain Borough office at 45 Keeley Avenue, New Britain, PA 18901.

In addition, we are looking for volunteers from our borough who are serving or have previously served in the military to place seven commemorative wreaths at the H. Walter Harvey World War I Memorial during our ceremony. Please contact Bruce Burkart at 215-345-1917 if you would like to participate.

**Contact Jackie D'Agostino with any questions: 215-348-9545 or [jdagostino4@verizon.net](mailto:jdagostino4@verizon.net) .**

## ***A Strategic Plan for the Nature Preserve***

Last spring, the Borough's Nature Preserve Committee drafted a Strategic Plan for the Borough's Wilma Quinlan Nature Preserve. This plan is intended to establish our priorities, focus our energy and resources, and ensure we are all working towards common goals when it comes to the management and stewardship of the Preserve. The plan was presented to Borough Council for its approval in April and was approved by a 7-0 vote.

The Strategic Plan is based on the belief that we are our generation's stewards of the Preserve and that, in that capacity, we have an obligation to past, present, and future borough residents to continue the conservation efforts of those community leaders who decided this land was worth preserving almost a half century ago.

Our Strategic Plan is based largely on the Stewardship Plan prepared by Natural Lands Trust in 2008 and NLT's 2014 Addendum to that plan. It outlines our environmental and ecological, as well as recreational, priorities for the Preserve.

Much of the Strategic Plan focuses on the restoration of healthy wildlife habitat in the Preserve. A visit to the Preserve today shows that work in progress. Several acres of the Preserve have already been cleared of the invasive vines and shrubs that were growing there so that the area can be replanted with native trees and shrubs over the next year or so. The first of these trees, eastern white pines, are scheduled to be planted this month.

Both the Stewardship Plan, the Addendum, and the Strategic Plan can be found on the Preserve's website at <http://www.wilmaquinlanpreserve.org/>. Click on "Stewardship Plan" to find all three documents.

## Around Town

### **Another Great Borough Summer Camp!**

The Borough Summer camp had another great year. **Andy Durie**, a Borough resident and teacher for the Central Bucks School District, has done another fine job as the director for the eighth year. This year science and nature activities were added as well as a theater program. Also new this year was the addition of a fundamental sport skills program and the children got to plant vegetables in the Community Garden in Orchard Park. Parents and kids celebrated the end of camp at the annual Family Day with activities, food, and music. A special Thank You to Andy and all the camp counselors!

### **A. Bella Hair Design & Boutique Hires Nail Technician**

**A. Bella Hair Design & Boutique** is a hair and nail salon located directly across from Town Center Shopping Center at 210 West Butler Ave. They have been opened for business over 2 years and offer experienced stylists and a nail technician for your beauty needs.

They have added Kim Banes to their team of professionals. Kim is a licensed Nail Technician for over 16 years and is highly experienced in nails and massage for the hands and feet. Kim is highly experienced in manicures, Gel manicures, male manicures, pedicures, stone pedicures and massage helping soothe tired or sore muscles in the legs and feet. At **A. Bella** they have a worry-free pedicure unit that uses individual disposable liners for complete sanitary usage.

Besides the salon atmosphere **A. Bella** also offers a unique gift boutique, which has a wonderful assortment of gifts for all occasions and ever changing as the trends do. The salon is open for business Tuesday and Thursday 10-7, Wednesday 11-8, Friday 10-4, Saturday 9-3.

### **Thanks again Paul Tiers Landscaping!**

We really appreciate **Paul Tiers of Paul Tiers Landscaping** who continually maintains our War Memorial on South Tamenend by planting flowers, weeding and mulching without ever being asked. **Paul Tiers Landscaping** is right here in the Borough. Thanks so much, Paul!

### **Bird Town Committee Partners with Pine Run Elementary**

This past spring the Borough's Bird Town Committee helped Pine Run Elementary School's third grade create a butterfly garden. They identified plants in the garden, and selected pollinators and host plants for the butterflies that the third graders raised. They also supplied plants and mulch via donations from Tom Price, Marge Ebers, and Dave Horn. All of the third graders at Pine Run raised a butterfly, which they released into the garden. The committee made sure that there were many host plants for the "Painted Lady" butterflies as well as plants that will attract them.

The Bird Town Committee plans to meet with Dr. Mumford, the principal, to determine the needs and scope of the project. She is excited about the partnership. Some ideas they will discuss with her are bluebird boxes and the possibility of a rain garden. The after-school program director is committed to incorporating the garden and bluebird boxes into their curriculum. This is very exciting news for the Bird Town Committee as well as Pine Run Elementary and the after-school program

A logo for McCabe and Brady Physical Therapy. It features a circular emblem with a silhouette of a person running. The text 'DEDICATED TO YOUR RECOVERY' is written around the top inner edge of the circle. Below the emblem, the name 'McCabe and Brady' is written in a large, bold, sans-serif font, with 'Physical Therapy' underneath in a smaller font.

## Spotlight on Borough Businesses

*We are highlighting a different Borough business in each newsletter to help promote them so they can continue to be viable and prosperous-which benefits us all. We will also inform you of new businesses in the Borough. Small business provides goods, services, and employment to the community. Please shop and frequent our Borough businesses.*

### **NEW BRITAIN INN**

**376 W. Butler Ave., New Britain, PA 18901**

**Newbritaininn.com**

**215-348-1968**

The New Britain Inn (NBI) has been a gathering place for area friends and families since the mid 1940's when Bob and Mary Boyle first took a former hosiery mill and made it into a tavern in 1946. In 1979, intent on bringing a Philadelphia Crab House to the area, Mike Carey bought the NBI and started his journey into the restaurant business.

Two years later Mike married Beverly Turner from Chalfont and in the early days they worked every job at the NBI from bartending and waiting on tables to cooking all meals in the kitchen. Their four daughters, Ashley, Brooke, Devon and Jesse all have grown up in the business and held a variety of jobs helping the NBI succeed.

My how things have changed in the past 35 years! Today the NBI is staffed by 25 employees and has a GM, Greg Larson and a Manager, Christine Piegrossi. Mike has made many changes physically to the NBI and most recently covered the outdoor deck, remodeled the dining room, added cool pictures of landmark places from New Britain and Chalfont, and had new bathrooms built. Last month Mike and Bev completely remodeled the game room into a great NEW dining area, perfect for large parties or families. In Mike's opinion, the biggest change that improved the NBI was three ago when he hired a Culinary trained Chef and Sous Chef. Along with Mike and Bev, the Chefs brought a Gastro Pub style menu to the Inn and now make everything on their menu from scratch. They take pride in their food (37 Best of Bucks awards) and their service and the New Britain Inn welcomes families with open arms.

Please stop by for one of their great \$7.99 lunches (choice of Omelette, Sandwich, Flatbread or Salad) or one of their Nightly dinner specials which are Monday - ALL U CAN EAT Crab Legs, Tuesday - Famous Turkey Dinner, Wed - Mexican Dinner, Thurs - ALL U CAN EAT Wings, and Sunday - 16 oz Prime Rib. The Award Winning Menu features, Drunken Steamed Clams, Buttermilk Chicken Sliders, Monterey Bay Pretzels, 100% Angus Burgers, Fish Tacos, Sriracha Glazed Chicken sandwich, Flatbreads, Yuengling Battered Fish and Chips, BBQ Baby Back Ribs just to name a few. Please stop in as the future looks very exciting!

## **Welcomes New Borough Businesses**

### **Professional Massage Therapy**

**912 Town Center , New Britain**

**215-489-2670**

Incorporating massage therapy into your life can have many benefits, including: reduced stress, decreased pain, improved circulation and improved healing. The therapists at **Professional Massage Therapy** will utilize their wide range of skills to provide you with the best therapy for your needs. Please visit their licensed Massage Therapists, Cheryl Davis, LMT; Dana Hardcastle, LMT and Kandi L. Coleman, LMT, NCTMB. Their BodyTalk Practitioner is Christine Passarelli, RN,BSN,CBP.

Modalities they offer are therapeutic, deep tissue, Swedish, orthopedic, AIS and NMT. Hours are by appointment only. They offer day, evening and Saturdays. Call for an appointment , 215-489-2670.

### **Cerio Tile**

**106 A West Butler Avenue, New Britain**

**267-879-4444**

**ceriotile@gmail.com ~ www.doylestowntile.com**

**Cerio Tile** provides quality tile and stone installations and repairs with 20 years experience. They provide services to contractors, businesses, and homeowners. They have installed tile and stone in numerous well-known properties from Italy to New York City. They have myriad experience with projects (big or small) where a specialist/consultant in stonework was needed. These experiences are the key to making sure you obtain your desired stone or tile results in your home or business. They also welcome all repairs of any kind, interior and exterior, commercial or non-commercial. If you are interested, they have a DIY program where they provide you with all the tools needed and one hour instruction to get you started in the right direction. If you want beautiful tile at very low cost, please visit **Cerio Tile**.

### **Edwards Photography Studios**

**104 East Butler Avenue, New Britain**

**215-527-8325**

**Edwards Studios** is a portrait photography business, which recently relocated to New Britain after 31 years in Hatboro. Their new location on East Butler Ave offers a picturesque 'Look of Bucks County' background for your next family portrait and all of your family's milestones from newborn to graduation. They specialize in business and commercial photography as well. See the difference a certified professional photographer can make. If you are looking to have a top-notch professional portrait created give Bill a call at 215 527-8325. Check out some of his beautiful portraits at facebook.com/Edwards.Studios.

# Moments with the Mayor

## Civility & Honesty

According to Webster, civility is defined as courtesy; politeness; consideration; a polite act or utterance. Honesty is defined as a state or quality of being honest. A refraining from lying, cheating, or stealing; being truthful, trustworthy, or upright.

Well, my fellow citizens of this fine Borough, we haven't always seen these qualities. In government, from the borough level all the way to the federal level, there have been half truths, lies and downright actions that border on rude, inconsiderate and deceitful. We should expect more from those we elect. Also in private life there are those who would have you believe their perception is fact, and that they know for a fact that what they are telling you is truthful and factual, when in actuality it may not be.

One of the most memorable experiences I've had through life was at the funeral of my Father, a man that devoted his life to the working man. He was a United Auto Workers organizer and eventually an executive in the UAW within the Toledo, Ohio area. Over and over I overheard conversations by friends, family, fellow union workers and officials saying, Clem was an honest man, he was fair and stern and a man of his word. In those circles that meant and said a lot about my dad. My take away from that was, you will be remembered for what you are, not, what you may think you are.

All of us need to be mindful of what we say and do and how that may affect those who hear us and see us. One belief that I've adopted is to "do unto others as you would have them do unto you". That simple statement says so much, treat everyone equally, don't tell tales that aren't true and don't make up stories that make you look good at the expense of someone else. Be truthful, even if it hurts, don't sugar coat a situation that needs to be exposed but, do it honestly and with civility. I would implore everyone to at least make an attempt to see other people's side of the story, check out what is being said and think before speaking.

With a lot of things happening here in the borough at this time: a new manager coming in January; a new solicitor in October; major development being planned; a new comprehensive plan being drafted and God knows what else is in store, we must remain civil. It will be very important that everyone is kept informed, truthfully of course, about the status of the activities in Planning, Borough Council and the Administration of New Britain. The Borough will attempt to keep you informed via the web site, newsletter and at meetings of Council and Planning. Remember, these meetings are open to the public and your attendance is always welcome.

We are working to make New Britain the best it can be and we intend to do it with civility and honesty.

# Bird Town News

Between January and June of this year, New Britain Borough recorded more Backyard Habitat registrations than any other Bird Town in Pennsylvania and only one other Bird Town in the state had more people taking the Healthy Yard Pledge! If you haven't yet registered your own property or taken the Healthy Yard Pledge, please consider doing so now. By joining the PA Audubon Bird Habitat network, you are demonstrating a commitment to create a bird habitat at your home or place of business.

By taking the Healthy Yard Pledge you are pledging to plant more native plants, remove invasive plants, reduce stormwater runoff, and eliminate the use of pesticides on your property. Fall is a great time to plant native trees and shrubs in your landscape, so please take the pledge now!

Registering your property only costs \$20.00 and you'll receive a yard sign to display. Taking the Healthy Yard Pledge is free. You can do both on line (go to <http://pa.audubon.org/bird-habitat-recognition-program> to print out a registration form) or you can pick up an application card during business hours at the borough office.

If you are a business owner in the Borough and would like to know more about how your business can support the Bird Town program here in New Britain, please contact the Borough office and someone will contact you with that information.

## **Central Bucks Senior Task Force**

Residents are invited to attend the **Central Bucks Senior Task Force** meeting on September 14, 2015 at 1:00 p.m. at the Central Bucks Senior Center located at 700 North Shady Retreat Road in Doylestown. Kevin Jameson of the Task Force will interview **Barbara Lyons**, Chairman of the Board of Supervisors for Doylestown Township.

The meeting interviews are videotaped and broadcast daily at 10:00 a.m. and 10:00 p.m. on Verizon Fios channel 31.

Starting in October the regular meeting dates will be the first Monday of the month at 1:00 p.m. at the Senior Center.

## **Public Safety Committee**

The New Britain Borough Public Safety Committee would like to remind all residents that some public streets in the Borough are posted as **“NO PARKING”** for safety reasons. Tickets may be issued for failure to observe the “no parking” restrictions.

The Borough website has a form for residents to report a traffic problem or concern. Residents can locate this form under **DEPARTMENTS – ROADS**. It may be used to report an observed hazardous driving episode such as frequent speeding, drivers running stop signs, general safety issues or traffic volume. Complaints will be reviewed and investigated.

Residents are also welcome to attend the next scheduled meeting on Wednesday, October 28 at 7:00 p.m. at the Borough Office.

## **Halloween Safety**

- Teach children to stop only at well-lit houses and to never enter a stranger's home.
- Instruct children not to eat any treat until they return home and treats are inspected.
- Provide a flashlight to help children see better and be seen more clearly.
- Only fire-retardant materials in costumes should be used.
- Costumes and treat bags should have some reflective qualities to be seen by motorists.
- Costume length should not be so long that it is a tripping hazard.
- Accessories such as swords or knives should be made from cardboard or flexible materials and made so as not to resemble a real weapon.

## **Volunteer Opportunities Finance Committee Member Needed**

The Borough is looking for a new member to join our Finance Committee. Potential candidates should have a strong background in finance or accounting. The Finance Committee serves as an advisory board whose mission is to review, monitor and advise Borough Council on financial matters affecting our Borough. If interested, please send a letter of interest to the New Britain Borough Advisory Committee.

## **Junior Council Person**

Borough Council implemented a Junior Council Program in 2014. The intent of the program is to get our youth involved in the community as well as teach them the structure and procedures of local government. We believe that the outreach from our community to our youth and from our youth back to our community is critical for the Borough's future. Also the Junior Council Program affords an occasion for our youth to have a significantly positive impact on their neighbors and in their neighborhood.

An ideal candidate would be a high school Junior or Senior. Accepted JCPs will be offered a one or two year term. Attendance at our monthly Council meetings, occasional special meetings, and annual budget sessions will be required.

Interested students should write a letter of interest to the New Britain Borough Advisory Committee.

## **The Building in the Park**

Early in September, volunteers will demolish the “Summer Camp Building” in Covered Bridge Park. It was originally built as a motel unit, probably in 1920/1930, and was moved to the Park around 1960, but age has taken its toll.

The new building will replace the two sheds and be about the same size, 550 square feet, and closely resemble the historic old New Britain Train station, which was one of the more picturesque train stations designed by Frank Furness about 1890.

The new building will be permanent, properly footed and outfitted. It will have all of the architectural detail of the old one, thanks to architect Joseph Plummer and nine woodworkers who will create period architectural details.

If you wish to volunteer, we need help in framing, finishing, painting, and general construction. The construction schedule is for the foundation to be done by the end of September, erection in October, and 90% completion by November.

For more information, contact Peter LaMontagne, Building Committee Chairman 267 252 3283 ([PeterLaMontagne@yahoo.com](mailto:PeterLaMontagne@yahoo.com)).

Covered Bridge Park is owned and operated by the New Britain Civic Association, a 501(c)3 non-profit consisting of a group of volunteers who maintain and improve this park.

## ***Women Build Handbag Event***

The Women Build of Habitat for Humanity Bucks County is hosting their annual "Handbags for Habitat" Wine and Cheese Event on Friday, October 16, 6:30 to 9:30 p.m. at St. Cyril of Jerusalem Church at 1410 Almshouse Road, Jamison.

In preparation for the event, we are collecting new and "gently used" handbags to be auctioned or sold. So please, check your closets for handbags and ask your friends and co-workers to do the same. Your donations may be dropped off at the Borough office or call Mary Pat Holewinski (215 348-7292) to arrange for a pick-up.

This is a really enjoyable evening so mark your calendars!

# Protecting our Water Resources

## **STREAM PROTECTION:**

Limit use of herbicides and fertilizers. Dispose of hazardous materials such as oil, paint, medications, etc. to a hazardous waste drop-offs, never flush or dump. Maintain your vehicle by checking and repairing oil and antifreeze leaks. Any illegal dumping or drainage activities should be reported immediately to New Britain Borough. If you notice any signs of stream pollution or have any questions notify the Borough at 215-348-4586.

## **RAINWATER RUNOFF:**

Consider reducing runoff to help your downstream neighbors by installing rain barrels on your downspouts, lowered planting beds (rain garden), connecting roof drains to stone pits, etc. These methods provide ground water infiltration.

## **POOL WATER DISCHARGE:**

Pool owners are required to dispose of water properly. Waste water containing chemicals such as chlorine and muriatic acid must be neutralized prior to disposal. Filter backwash should also be discharged to a grassy area and never to a street, pond or stream, or toward your neighbor's property. If you have any questions, please contact the Borough.

## **CONSTRUCTION:**

Stormwater controls are required for most additions of impervious surfaces, which may require permits. Please check with the Borough office to determine if permits are required.

# Right-of-way Maintenance

Please trim vegetation within the right of way which may obstruct sidewalks (8' over sidewalks) or street signs. Dispose of vegetation properly. Do not allow leaves to block storm sewers or drainage ditches, direct grass clippings back toward your yard, not into the street, as they will contaminate streams with residual fertilizers. Any sidewalk, curbing or driveway aprons which have settled create tripping hazards, please correct these as soon as possible, as the Borough will be conducting inspections of these items and issuing property maintenance violation letters for any displacement greater than 1/2". We appreciate these items being corrected as soon as possible as any items corrected prior to these inspections will save the Borough time and money.

## ***Road Work Scheduled***

Road work consists of crack sealing (to keep the water out), slurry seal (to revitalize oxidized pavement and add a thin durable surfact), and mill and paving select areas/patches (to repair damaged pavement surfaces. The following streets are scheduled for work this year:

Crack seal: Birch, Cherokee, Iroquois (cul-de-sac), Pawnee, Pueblo, Woodland (westerly portion).

Slurry seal: Algonquin, Cedar (Butler to Vine), Hawk (cul-de-sac), Mohawk and Spring Lake Drive.

More or less road work may be performed depending upon construction costs.

## ***Town Center Shopping Center Fun-Filled Day!***

The Chalfont New Britain Business Alliance invites everyone to their 5<sup>th</sup> Annual Community Day and Car Show on Saturday, October 3, 2015 from 10 a.m. to 3 p.m. There will be entertainment, food, cars, kids activities, music and vendors. If you want to be a vendor or show your car, call 215-913-8702 or email [suegelb@comcast.net](mailto:suegelb@comcast.net).
